Re: Texas Public Information Act Request
Various Stormwater Documents

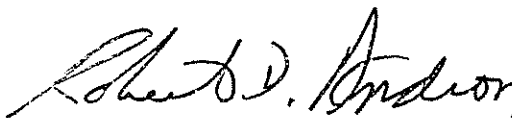

Dear Mr. Martinez:

Pursuant to your request for information (attached copy), this office has placed in the mail documents responsive to items # 1 and #4. The number of pages mailed totals 15 color letter-size pages and 68 black/white letter-size pages totaling 83 pages; however, there are no costs assessed for the gathering and copying of these two items at this time.

This office will notify you of costs associated with the remainder of the documents responsive to your request once these documents are identified and gathered for copying. This work is ongoing and I certify that it is expected to be completed by the end of the month of August 2008.

The Texas Attorney General's Office has been notified of this mailing by copy of this letter.

Sincerely,

Robert D. Andron
General Counsel

RE: *Public Information Act Request*

Messers McNabb and Andron:

This is a Public Information Act Request. I would politely request the following items:

1. a copy of the powerpoint presentation Ed Archuleta delivered at the May 7, 2008, meeting of the Public Service Board. I would prefer a copy of the electronic file. If it is easier, I will accept copies of individual slides;
2. a list of or documents that identify all planned and proposed capital expenditures the PSB intends to fund or has considered funding with the stormwater drainage fee;
3. a list of or documents that reflect all capital improvement projects the PSB intends to fund or has considered funding with stormwater drainage fees;
4. documents presented to or at meetings of the Public Working Group the PSB organized regarding the design and implementation of the stormwater drainage fee;
5. documents that reflect the total expenditures on television advertisements regarding the PSB's stormwater drainage fee and the stormwater drainage utility in 2008; and

COPY

6. documents that reflect all bid solicitations, bid responses, proposed layouts and storyboards for television and other advertisements regarding the PSB's stormwater drainage fee and the stormwater utility.

Yours very truly,

THE LAW OFFICES OF JAMES A. MARTINEZ
